

Biography

Daniel Monehin
Division President
Sub-Saharan Africa
MasterCard Inc.

Daniel Monehin, FCA, FCPA, CPA, became a member of the Professional Accountants in Business (PAIB) Committee in January 2016. He was nominated by the Institute of Chartered Accountants of Nigeria.

Daniel leads MasterCard's business across Sub-Saharan Africa as Division President. In this Group Executive role, Daniel is primarily focused on establishing MasterCard's brand presence, deploying innovative solutions and partnering with governments and market regulators. He also heads Financial Inclusion for International Markets for MasterCard. Daniel started his MasterCard career in 2006 when he led the finance function at MasterCard Canada in Toronto as Vice President and Regional Finance Officer. Prior to joining MasterCard, he held senior finance roles at Hewlett-Packard and Ashland Inc. He possesses over 24 years of finance, consulting and business management experience spanning banking, manufacturing and distribution, hi-tech and payment industries.

In 2008, Daniel was appointed to serve on the Strategic and Risk Management Committee of the Certified Management Accountants, Ontario (now Chartered Professional Accountants, Ontario). Daniel is the recipient of the Fellow of the Chartered Professional Accountants of Canada (FCPA) designation, a national award of distinction.

Daniel received a Master of Business Administration (MBA) degree from Queen's University, Ontario, Canada, and a Bachelor of Science (Honors) degree in Accounting from the University of Lagos, Nigeria. He has earned the Chartered Professional Accountants, Canada (FCPA), Certified Public Accountants, U.S. (CPA), and Fellow of the Institute of Chartered Accountants of Nigeria (FCA) designations.
